# GUERAM HOVHANNISYAN

TRAINING OF WEB DEVELOPER /  
WEB MOBILE

## PROFESSIONAL PROFILE

I'm 31 years old Junior Web Developer currently studying at CCI Formation in Roanne, France. I enjoy the coding a lot and I'm working on myself to become an accomplished programmer in order to contribute my skills to the exciting technological advances that happen every day. I'm a former car mechanic and car electrician, converted to Web Development in late 2022.
